A money mule is a person who transfers or moves illegally acquired money on behalf of someone else.

Don't be a Money Mule!

Your Bank Account = Your Money

- Never let anyone use your bank account for transferring money.
- Allowing others to receive or forward money through your bank account can land you in jail.
- Never share your bank details, OTPs, or passwords with anyone.

**Protect your account.
Protect yourself.**

Easy money is never worth the risk.
